Ministry of Education and Sports

Primary Two

SELF STUDY MATERIALS

HUMAN BODY AND HEALTH

Parts of the body and their function

MATHEMATICS

Dear learner, you are welcome for today's activity.

You will;

Count up to 400

read number names 100-105

write number names 100-105

You will need; straws, stones, leaves, plastic bottle tops, sticks; a pencil and an exercise book.

Sing the parts of the body rhyme to people at home;

Head, shoulders, knees and toes

Knees and toes, knees and toes

Head, shoulders, knees and toes

Eyes, ears, nose and mouth

Use counters and count numbers 1–400

Fill in missing numbers. 50, _____ 150,
200, _____ 300, _____ 400

Read number names 100-105

100 103

101 104

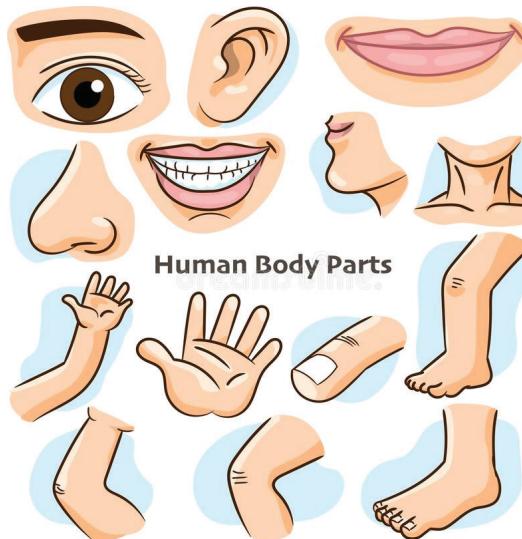

102 105

LITERACY

Dear learner, you are welcome! In this activity you are going to talk about parts of body and their functions. You will:

- read words, sentences and short stories about parts of the body
- draw pictures of different parts of the body
- write words and sentences related to body parts

You will need a pencil and a book

Look at the picture. What can you see?

Read these words

head shoulder eyes ears nose
mouth leg

Make a sentence

This is my head

Make 3 words with letter sounds l and g

leg,,

Now practise writing letters and words

L l L l L l L l

G g G g G g

Lule has long legs.

Draw a picture

leg	head	mouth
eye	ear	

Ali breaks his arm

Ali escapes from home. He goes to play football with his friends. As he plays, he falls down. He breaks his arm. All his friends run away except Peter. Peter takes Ali home.

Mother is very angry. She wants to beat Ali. Father asks her to forgive him. They take Ali to the doctor. The Doctor puts the bandages the arm. Ali cannot write. Ali cannot wash his clothes. He feels a lot of pain.

Now answer these questions

1. What happens to Ali?
2. Who takes Ali home?
3. Why do you think Ali's friends ran away?
4. If you are Ali's mother, what do you do to him?

**In your free time, draw four pictures of Ali's story.
Write a word or sentence for each picture.**

Key message:

Remind everybody at home to wash hands with soap and clean water all the time.

ENGLISH

Introduction

Dear learner, you are welcome to this lesson about the parts of the body and their function.

You are going to;

1. Mention the parts of the body
2. Make sentences
3. Match the same words
4. Read sentences
5. Write words

Get an exercise book, a pen, pencil and a rubber.

Step 1

Touch the body part and say the sentence. Make sure you have washed your hands very well before touching the face.

For example

1. Show me your nose.
This is my nose.
2. Show me your fingers.
These are my fingers.
3. Show me your eyes.
These are my.....
4. Show me your legs.
These are my.....
5. Show me your ears.
These are my.....
6. Show me your toes.
These are my.....
7. Show me your stomach.
This is my.....

Step 2

Read these words.

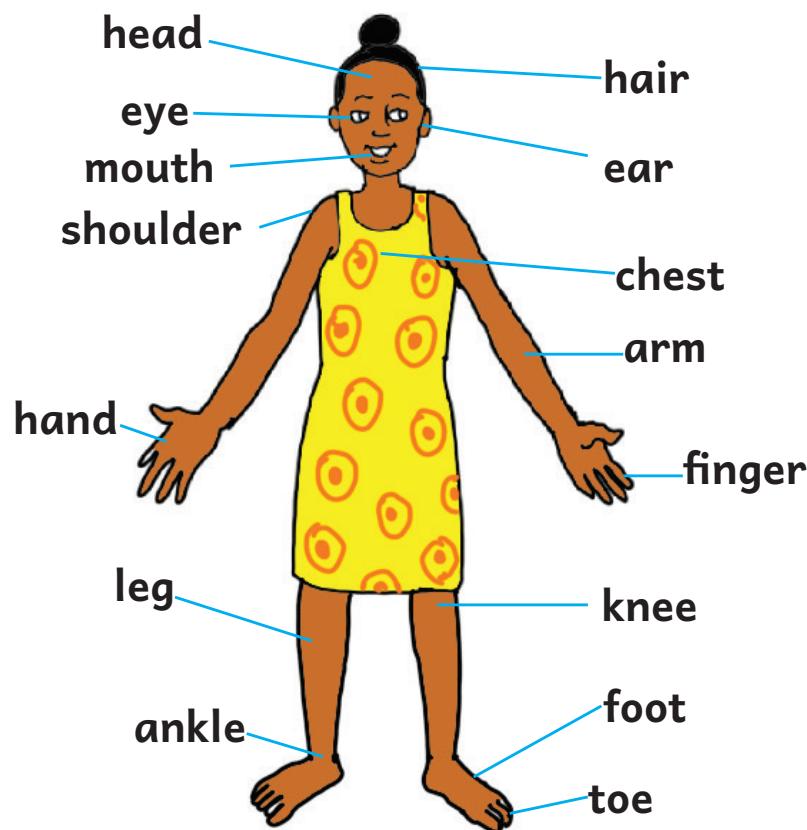

Legs, eyes, fingers, stomach, head, toes.

Step 3

Use the structure; How many eyes has he got?

He has got 2 eyes.

Different parts of the body

Fingers, toes, stomach, leg, head, eyes, nose, hand, ear

Look at the picture and answer the questions

1. How many fingers has she got?

She has got.....

2. How many toes has she got?

She has got.....

3. How many legs has she got?

She has got

4. How many stomachs has she got?

She has got.....

5. How many eyes has she got?

She has got.....

6. How many heads has she got?

She has got.....

Step 4

Match the same

Fingers	head
Toes	stomach
Legs	eyes
Stomach	legs
Eyes	toes
Head	fingers

Step 5

Read the sentences

1. She has two legs

2. She has ten fingers

3. She has two eyes

4. She has ten toes

Step 6

Write these words

Fingers	toe	stomach	leg
Nose	eyes		

Step 7

Recite this rhyme

Head , shoulder, knees and toes

Knees and toes

Knees and toes

Head, shoulder, knees and toes,

Eyes, ears, nose and mouth

Activity:

Draw a picture and name the different parts of the body.

Eyes nose toes fingers

legs stomach

You will show the work to your teacher when you go back to school

105 One hundred five

103 One hundred

101 One hundred three

SANITATION

Dear learner, you are welcome for today's activity.
You are going to;

- **count up to 400**
- **read number names 100-120**
- **write number names 100-120**
- **subtract 2 digit numbers vertically**

Get; straws, stones, leaves, plastic bottle tops, sticks; a pencil and an exercise book.

Sing a hygiene song: Obuyonjo nga bulungi x3

Businga obujama

English;(Cleanliness is good x3

It is better than being dirty)

Use stones, bottle tops and sticks.

Count numbers up to 400

Read number names

- 100-----One hundred**
101-----One hundred one
102-----One hundred tw0
103-----One hundred three
104-----One hundred four
105-----One hundred five

Fill in the missing numbers

**106-----108----- 110-----112-----114-----106
----- 119 -----**

Match numbers;

- | | |
|------------|-------------------------|
| 100 | One hundred One |
| 104 | One hundred two |
| 102 | One hundred four |

ASSIGNMENT: Subtract numbers.

33-25 72-16 88-11 77-12

Wash hands with soap many times to chase corona virus away

LITERACY

Dear learner, you are welcome to this activity. You are going to talk about sanitation. Sanitation is keeping the environment clean and healthy.

In this activity you will:

- **read words, sentences and short stories about sanitation**
- **draw pictures about sanitation**
- **write words and sentences about sanitation?**

Get a pencil and a book

Look at the picture. What can you see?

Read these words

bloom hoe slasher brush panga

Join the parts to make correct sentences

We use a bloom
to sweep the compound.

We use a brush
to scrub the bathroom.

We use a b slasher
to slash the compound.

We use a hoe
to dig around the house.

We use a panga
to clear the bush.

Make 3 words with letter sounds m and t

mat , ,

Now practise writing letters and words

M m M m
T t T t

M m
T t

Jane mops the house.

Draw a picture

bloom
brush
Hoe
slasher
panga

Read the story and answer the questions

Keeping the home clean

In Mr. Mukasa's family, everybody keeps the home clean.

Mrs. Mukasa slashes the compound. Nalule cleans the house and the compound. Ali fetches water. Father washes utensils.

Now answer these questions

1. What does Mrs. Mukasa do?
2. Who cleans the house?
3. Why do you think it is important to smoke the latrine?
4. . What other activity do you do to keep your home clean which is not in the story?

In your free time, you will draw four pictures to show the way you keep your home clean. On each picture write a word or a sentence.

Key message:

Remind everybody at home to wash hands with soap and clean water all the time.

ENGLISH

Introduction

Dear learners, you are welcome to this lesson on sanitation. You are going to;

- Recite a rhyme
- Use structure I..... every day.
- Read the words
- Circle the different words
- Write the words
- Complete the sentences

Get an exercise book, a pen, pencil and a rubber

Step 1

Stand up and recite this rhyme

I am going to sweep, the dirt away
I am going to sweep – the dirt away
I am going to sweep – the dirt away
Sweep, sweep, sweep.

Step 2

Use I..... to answer the question

Example;

What do you do every day?

I sweep everyday

Picture 1.

What do you do every day?

I the house every day.

Picture 2.

What do you do every day?

I my teeth everyday

Picture 3.

What do you do every day?

I..... water everyday

Picture 4.

What do you do every day?

I plates everyday

Picture 5.

What do you do every day?

I clothes everyday

Picture 6.

What do you do every day?

I the compound every day

Picture 7.

What do you do every day?

I water every day

Step 3

Read these words

Sweep brush boil

Clean wash slash

Step 4

Circle the word which is different

For example;

sweep wseep sweep sweep

boil boil obil boil

brush brush brush shrub

clean clean nclea clean

wahs wash wash wash

slash slash salsh slash

sweep sweep pswee sweep

step 6

match the correct word

I wash the compound every day.

I brush water every day.

I clean my clothes every day.

I sweep plates every day.

Make 5 sentences using.

"I every day.

step 5

write these words

clean

slash

boil

brush

sweep

wash

PERSONAL HYGIENE

LITERACY

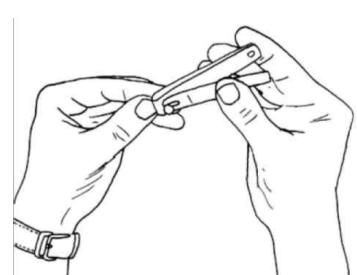

Dear learner, you are welcome. You are going to talk about personal hygiene. Personal hygiene is a way of keeping the body clean and preventing diseases.

In this activity you will:

- read words, sentences and short stories about the parts of the body
- write a short story about your body parts

Get a pencil and a book

Look at the pictures. What can you see?

Read and mime the actions

washing clothes brushing teeth
combing the hair cutting finger nails

Read the sentences

1. I comb my hair every day.
2. I brush my teeth every day.
3. I often wash my clothes.
4. I often cut my finger nails.

Make 3 words with letter sounds c and n

cut,,

Now practise writing letters and words

C c

C c

C c

N n

N n

N n

Cate can cut her nails.

Draw a picture

comb

tooth brush

soap

water

razor blade

A dirty boy

There is a dirty boy in our class. His name is Messy. He does not wash his clothes. He does not comb his hair. He does not bathe. He does not brush his teeth. He does not play. He does not sing. He does not share with others. He is always alone. All children in our

class do not like him. He is sad all the time.

So early in the morning

Now answer these questions

1. What is the name of the boy in the story?
2. Why is bad not to bathe?
3. If you are in my class, how can you help this boy?
4. What can happen if you do not brush the teeth?

In your free time, draw four pictures of different things we must do to keep clean and healthy. You can write a word or sentence on each of your pictures.

Key message:

Remind everybody at home to wash hands with soap and clean water all the time.

Step 2

Use, "I use a to

What do you use tooth paste for?

Example

I use tooth paste to clean my teeth.

Get an exercise book, a pencil and a rubber

ENGLISH

Introduction

Dear learner,

You are welcome to this lesson on personal hygiene. You are going to;

- Recite a rhyme
- Make sentences using I use..... to
- Read words
- Fill in the missing letter
- Read the sentences

Step 1

Recite the rhyme

This is the way

I comb my hair

I comb my hair

I comb my hair

This is the way

I comb my hair

1. What do you use a tooth brush for?

I use a to

2. What do you use a comb for?

I use a to

3. What do you use a brush for?

I use a to

4. What do you use soap for?

I use to
